rejected under 112 second paragraph”.

This is clearly wrong because claims 64-65 and 67-83 have been allowed could not have been allowed if there were any issues outstanding.

The undersigned called the Examiner to discuss this and on July 23, 2008, the Examiner’s supervisor left a voice mail message:

Hi Ms. Cord. My name is Shannon Foley.

I’m returning your call regarding a Notice of Allowability that was issued in 09/927,084 and regarding the rejections of record in the Notice of Allowability. Actually if you look on page 5 of the action at the top there is a withdrawal of rejections and it says “the following rejections have been withdrawn in view of applicants amendments and arguments” and the first thing that was withdrawn is the written description rejection of claim 63 and the second rejection that’s withdrawn is the rejection of claims 42 through 59 and 61 through 63 under 112 second paragraph. So there are no rejections of record remaining in the claims. If you have any further questions regarding this case, please don’t hesitate to call me back at (571) 272-0898. Thanks. Bye

This also confirms that the statement in paragraph 4 in the Notice of Allowability is wrong.

Respectfully submitted,
